1.0 Introduction

Welcome to Tutor Time, an innovative platform designed to connect students with tutors for effective learning sessions. This manual will guide you through the process of using the app, from creating an account to how to enroll with a tutor. Whether you are a tutor, a student, or a director, this manual is your go-to resource for understanding the features of Tutor Time

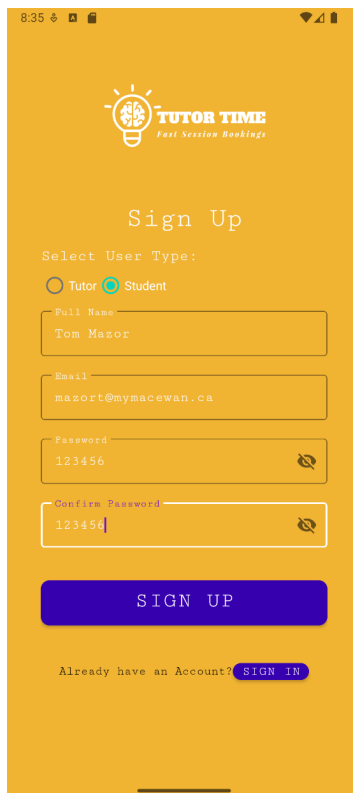

2.0 Getting Started

Before you start using Tutor Time, you need to create an account and log in.

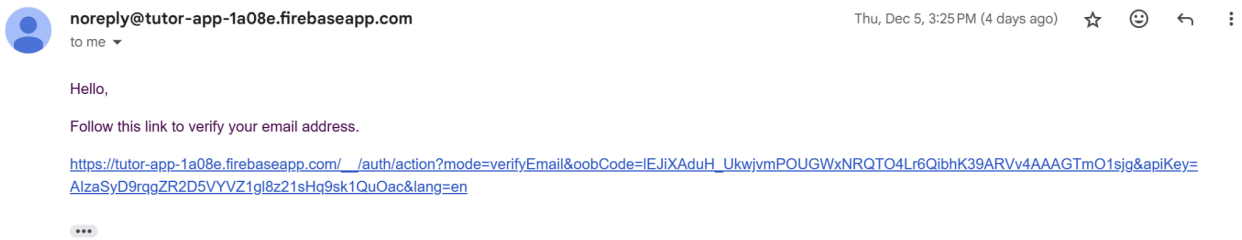

2.1 Creating an Account

To create an account, follow these steps:

1. Open the app and click on the "Sign up button."
2. Pick whether you are a student or a tutor.
3. Enter your details:
 - Name
 - Email
 - Password
4. Click on the sign up button to complete your registration

A screenshot of the Tutor Time mobile app's sign-up screen. The background is a solid orange color. At the top, there is a status bar showing the time 8:35 and various icons. Below the status bar is the Tutor Time logo, which consists of a lightbulb icon with a brain inside, followed by the text "TUTOR TIME" and "Fast Session Bookings" in a smaller font. The main heading "Sign Up" is centered in a white, monospace-style font. Below the heading, the text "Select User Type:" is followed by two radio buttons: "Tutor" (unselected) and "Student" (selected). There are four input fields with orange borders: "Full Name" containing "Tom Mazor", "Email" containing "masort@mymacewan.ca", "Password" containing "123456", and "Confirm Password" containing "123456". Each password field has a small eye icon to toggle visibility. At the bottom of the form is a large blue button with the text "SIGN UP" in white. Below the button, the text "Already have an Account?" is followed by a blue button with the text "SIGN IN" in white.

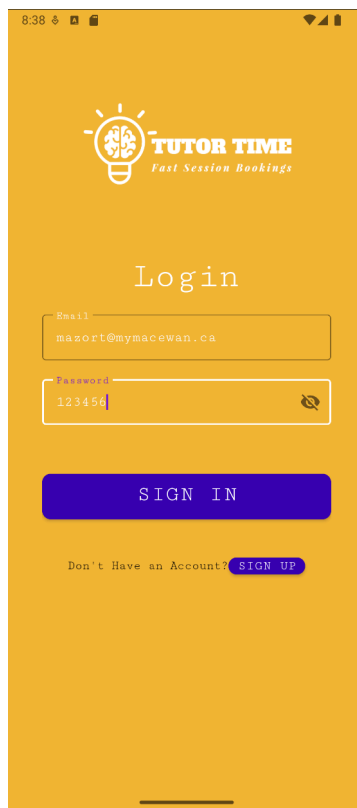

After submitting your registration, an email verification will be sent to the email address you provided. Check your inbox (and spam folder) for the verification email. Click on the verification link in the email to confirm your account.

2.2 Logging In

Once your account is created and verified, you can log in by:

1. Opening the app and enter your details
 - Email
 - Password
2. Click Sign in to access your account.

For Tutors: Onboarding Process

If you signed up as a Tutor, after logging in, you will go through an onboarding process. This includes:

4.0 For Tutors

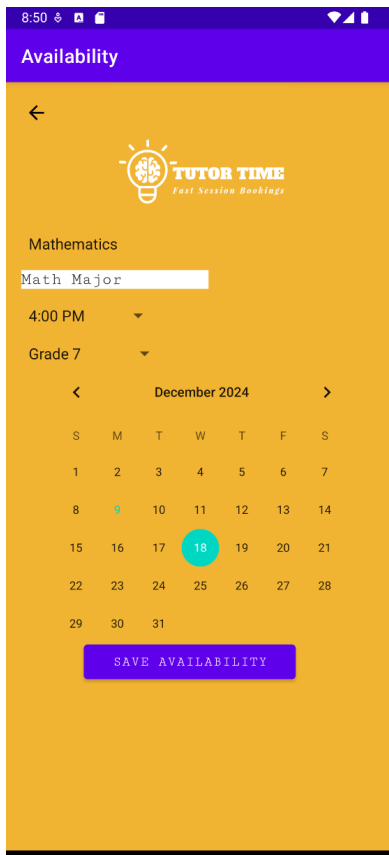

4.1 Managing Availability

To manage your availability as a tutor, follow these steps:

1. Click on “Start Tutoring Now!”:
After logging in, go to your tutor dashboard and click the “Start Tutoring Now!” button to begin setting your availability.
2. Add Your Course and Teaching Details:
 - Select the course you will be teaching (e.g., Math, Science, English).
 - Choose the grade level you are comfortable teaching (e.g., elementary, high school, college).
 - Upload any certificates or credentials relevant to the course you wish to teach.
3. Set Your Availability:
 - Use the calendar to select the dates and times you are available to tutor.
 - Click on the appropriate days and time slots on the calendar to specify when you can teach.
4. Save Your Availability:
Once you’ve filled in the necessary details and selected your available times, click the “Save Availability” button to finalize your schedule.

Your availability will now be updated, and students will be able to see when you’re free to book lessons.

When hitting the button “Save Availability”, the tutor will be added to the system:

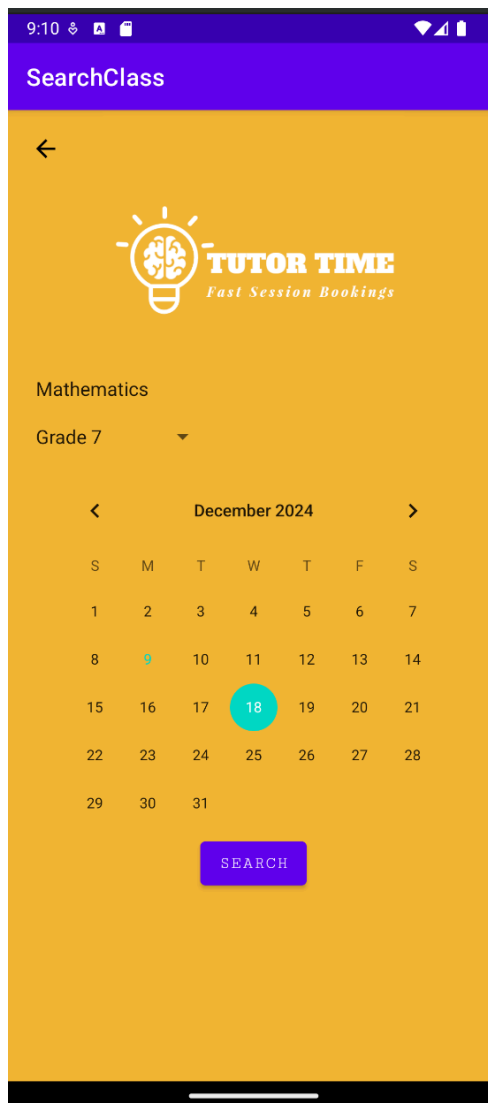

The screenshot shows a mobile app interface for 'Tutor Time'. At the top, there's a purple header with the text 'Availability'. Below it, a back arrow is on the left, and the 'TUTOR TIME' logo (a lightbulb with a brain inside) is in the center. The form fields are as follows: 'Mathematics' is selected for the subject; 'Math Major' is entered in the 'Math Major' field; '4:00 PM' is selected for the time; and 'Grade 7' is selected for the grade. Below these fields is a calendar for 'December 2024'. The calendar shows days from 1 to 31. The 18th is highlighted with a red circle. At the bottom of the form is a red button labeled 'SAVE AVAILABILITY'.
